

Discuss the difference between our *wants* and *needs*. What are some things a person *wants*? Suggest food, water, and shelter. What are some things a person *needs*? Suggest games, books, and toys. Talk with your child about the important need of having Jesus in our lives. He died for our sins, and we need His forgiveness and love. Discuss ways your family can show that love to others by meeting their physical needs.

EXPLORE TOGETHER:

NEXT STEP:
I can follow Jesus' example and look for opportunities to share the good news with someone this week.

Jesus met the deepest need of a Samaritan Woman and He meets our deepest needs too.
